

WHAT IS NAF

Nonappropriated Fund (NAF) is considered federal employment, and here at Misawa AB we are employed by the United States Air Force. However, NAF employees are paid from the revenue generated by their installation's activities instead of being appropriated by Congress. NAF is an excellent way to gain valuable experience and build upon your resume while furthering your federal career.

HOW TO APPLY

All current available NAF positions are advertised on nafjobs.org. Applicants need to create an account to apply for NAF positions. If using a preference when applying (MSP, Veteran, etc.), make sure to upload the applicable documents to support the preference (Sponsor's Orders, DD214).

To be considered for employment, your resume must reflect the qualifications of the position. Each position announcement lists the duties and responsibilities, qualifications, performance standards, and other pertinent information.

BENEFITS

As a regular NAF employee you are entitled to receive benefits. Some of the benefits offered include:

- * ANNUAL AND SICK LEAVE
- * HOLIDAY PAY
- * HEALTH INSURANCE
- * LIFE INSURANCE
- * RETIREMENT
- * 401(K) SAVINGS PLAN
