MEMORANDUM FOR ALL MISAWA AB PERSONNEL

FROM: 35 FW/CC

SUBJECT: Grissom Dining Facility Closure

1. This memorandum serves as a notice to all Misawa AB Personnel of the upcoming Grissom Dining Facility (DFAC) renovation and closure beginning 27 Feb 2023. Renovation operations are tentatively scheduled from 27 Feb 2023-Jan 2024.
2. Grissom DFAC will serve its final meal at its current location (Bldg 624) during normal dinner hours on 26 Feb.
3. DFAC operations will transition the following morning (27 Feb) to Building 1958 (previously known as North Base Edgren High School), and will remain at this location throughout the duration of the renovation process. During the first week of North Base (N.B.) operations (27 Feb-5 Mar), there will be no midnight meal service provided. Starting 6 Mar, the N.B. DFAC operations will resume its full range of meal services reflected as follows:
 - a. Monday-Friday
 - (1) Breakfast: 0515-0730
 - (2) Lunch: 1015-1330
 - (3) Dinner: 1615-1930
 - (4) Midnight Meal: 2200-0030
 - b. Saturday & Sunday
 - (1) Brunch: 0630-1300
 - (2) Dinner: 1700-1900
4. A shuttle service will be provided to the N.B. DFAC. The shuttle service pick-up location will be at the south end of the Torii Building parking lot (see attachment). The drop-off location will be at the circle drive outside of the N.B. DFAC. Shuttle service will not be provided for midnight meals. Please see attachment for a full breakdown of the provided shuttle service and pickup/drop-off locations.
5. Campus Dining meal options will continue as normal for ESM customers.
6. Boxed meals can be ordered in advance and picked up at the N.B. DFAC.

7. Units are encouraged to take proper precautions to ensure your members are prepared for this upcoming change.
8. For tenant units at Misawa Air Base, please coordinate with your service component for changes to entitlements (such as Basic Allowance for Subsistence).
9. If you have any questions, please contact 35 FSS/CC at 315-226-3008, 35 FSS/DO at 315-226-2309, or 35 FSS/FSV at 315-226-3043.
