These are just some examples of what you can do with Unite. If you have an idea for something fun, our office will work with you to make it happen! If you are interested in putting on an event not listed here, please contact our office at we can discuss your options!

Laser Tag at USAFA: Get outside and start blastin'!

The Outdoor Laser Tag Program at the Air Force Academy is top notch! Head on out for hours of fun and a variety of laser tag scenarios. Minimum of 8 player and maximum of 22.

Escape the Place: Enhance your teamwork with these challenging puzzle rooms

Escape rooms are a great way to increase team cohesion and have fun doing it! For large or small groups, Escape The Place is a great choice. With 50% on Wednesdays, every experience they offer falls within our Unite Program budget!

WhirlyBall: A great place for larger groups!

A cross between bumper cars, lacrosse, and basketball, this is a great way to increase unit cohesion and have fun. \$250/hr regardless of group size, this event can be entirely funded by Unite for groups of 17 or more. Whirlyball also offers a selection of pizzas and appetizers, that can fit neatly within our Food and beverage budget for your group.

Top Golf: A classic mid week activity

Top Golf has something for everyone, and is a great way to get out of the office for some friendly competition. We encourage units to utilize the Half-Off Tuesdays deal to stay within the Unite Program Budget.

Main Event: An arcade experience, with a twist!

Formerly The Summit, Main Event features bowling, arcade games, VR games, and more. This venue is a little pricier, so we suggest larger groups. For groups of less than 25, there may be some out-of-pocket costs that Unite cannot cover.

Roadhouse Cinemas: Relax with a Movie and Snacks

Taking your unit to the movies is newly authorized in 2024, and Roadhouse Cinema is a great way to take advantage of that! You can pre-book a private showing for a larger group, or just get a handful of tickets for your office.

Peterson SFB Bowling Alley: The old standby

If you're ever having trouble coming up with where to go, the Peterson Bowling alley is simple and easy to execute. Head on over for a few hours of fun, and knock some pins down. We can coordinate with the Hub on Peterson to provide pizza and wings for your group as well!
