

Developmental Continuum of Skills INFANT • TODDLER

el-til	n develop at a unique pace.	Infant		ldler Preso
Skill	Goal	Benchmark A	Benchmark B	Benchmark C
1 Call Camana	1.1 Expresses preference 1.2 Takes responsibility	Responds to name and explores self in mirror. Responds as caregiver takes care of his/her needs.	Repeats actions to obtain similar preferred results. Participates in daily routines or familiar activities.	Expresses likes and dislikes. Asserts a desire to start or end an activity. Asks for help.
1 Self Concept			Shows a range of emotions with facial expressions and gestures.	
	1.3 Identifies and manages feelings	Calms with support from caretaker.	Soothes self.	Experiments and role-plays with a range of emotions.
1 Self Concept	2.1 Follows rules and routines	Reacts to tone of voice and expression.	Cooperates during familiar routines and redirection.	With prompting, follows rules and routines.
2 Self Direction	2.2 Maintains attention	Focuses for a short time when others interact with him/her.	Attends to what others are looking at or pointing to.	Focuses on an engaging activity for a short period of time independently or with an adult.
	2.3 Transitions and adapts	Reacts to changes in routine.	Responds to cues that signal a change in the daily routine.	Anticipates what comes next within a daily routine. Redirects to a activity with help from caregivers.
	3.1 Builds positive relationships	Connects with caregivers through eye contact and gentle touch.	Greets and stays near familiar people.	Plays side-by-side with a new or familiar person.
3 Social Relationships	3.2 Cooperates	Enjoys turn-taking games, such as peek-a-boo.	Mimics actions of others.	Helps or participates in an activity when asked.
Relationships	3.3 Cares for and responds to others	Reacts to others' behaviors and expressions.	Mimics facial expressions of others.	Demonstrates concern for someone who is sad or upset.
T	4.1 Builds strength and balance	Sits independently and pulls self into a standing position.	Walks and climbs.	Runs and balances on a wide beam.
4 Gross Motor	4.2 Coordinates large movements	Kicks or grabs from a seated or laying position.	Carries, drags, kicks and tosses objects.	Throws objects in an intended direction. Catches objects against
	5.1 Controls small movements	Reaches for objects in sight.	Manipulates objects with purpose, such as feeding self with a spoon.	Opens, closes, twists and pulls objects.
5 Fine Motor	5.2 Uses drawing/writing tools	Picks up small objects with thumb and pointer finger (pincher grasp).	Purposefully grasps and releases objects. Makes random marks with writing tools.	Holds drawing/writing tools with whole hand and may use whole to make intentional marks.
	6.1 Makes healthy food	Cries when hungry or tired.	Communicates when hungry, thirsty, or tired.	Anticipates the need to eat, rest and drink.
6 Health and Safety	and exercise choices	• ,	Recognizes the difference between dirty and clean. Points to body	With help, participates in healthy habits and healthcare routines.
	6.2 Practices good hygiene	Receives appropriate healthcare from caregivers.	parts when prompted.	Names body parts.
	6.3 Demonstrates safe practices	Expresses distress when needs are not met.	Responds to possible dangers in environment and avoids them when prompted.	Follows simple safety rules.
		Turns head toward the person speaking and makes gestures and/or	7	
7 Listening Comprehension	7.1 Comprehends spoken language	vocalizations in response.	When prompted, identifies familiar people or objects.	Responds to simple statements and questions.
Comprehension	7.2 Follows verbal directions	Responds to conversation in environment and imitates actions.	With prompts and gestures, follows a one-step direction.	Follows related two-step directions given verbally.
8 Communication	8.1 Communicates ideas	Uses vocal sounds and gestures to communicate.	Uses a few words and word-like sounds to communicate.	Communicates needs, desires and ideas using simple sentences.
	8.2 Speaks in sentences	Duplicates single sounds.	Says one- to two-word sentences.	Says two- to four-word sentences and repeats short phrases. Identifies familiar people, places, and objects. Asks what a speci
9 Vocabulary	9.1 Builds vocabulary	Makes noises and gestures to communicate.	Repeats words heard frequently in environment.	person or object are called.
10 Phonological	10.1 Hears small units of sound	Babbles and vocalizes using sound, volume and inflection.	Imitates sounds and tones.	Shows awareness of separate words in spoken language.
Awareness 11 Concepts	10.2 Identifies rhyme and alliteration	Hears rhyming songs and games.	Repeats the last word in familiar rhymes when prompted. Recognizes if pictures are right-side up. Turns pages from front to back	Suggests a missing rhyming word within a poem or song. Identifies the front/back and top/bottom of a book. Indicates wh
of Print	11.1 Demonstrates print knowledge	Looks or points to pictures and opens/closes books.	of book.	start reading on each page.
12 Letter/Word	12.1 Identifies letters and words	Looks for familiar people and objects when given their names.	Identifies a familiar object or person when shown a drawing or photo.	Recognizes the difference between pictures, letters and numbers print.
Recognition	12.2 Makes letter-sound connections	Babbles or repeats sounds.	Points at words printed on a page and pretends to read aloud.	Recognizes the sound of the first letter in his/her name.
13 Reading	13.1 Responds to text	Interacts by reaching or patting when a book is read.	Points to pictures and repeats words from familiar stories.	Talks about pictures and ideas in familiar stories.
Comprehension	13.2 Retells, asks and answers questions	Holds book and looks intently at each page.	Answers "Where is?" questions by pointing.	Answers "What?" questions about stories and books. Recalls the name of the main character.
1/ Franciscopt	14.1 Writes name, words	Grips a writing utensil and uses it with help.	Makes continuous marks with writing tools.	Writes letter-like forms and creates his/her own symbols.
14 Emergent Writing	and sentences 14.2 Expresses through writing			,
	14.2 Expresses inrough writing	Explores writing materials.	Makes marks or handprints on paper.	Scribbles or draws marks as a representation of an object or per
15 Number	15.1 Identifies numerals	Hears numbers in everyday context.	Recognizes the numeral one and sees other numerals around the room.	Recognizes numerals to three.
Concepts	15.2 Counts to determine quantity	Hears rote counting.	Verbally counts (not always in correct order).	Points to one object at a time while counting (not always in correct
16 Shapes 17 Spatial Awareness	15.3 Understands operations	Looks for an object that is taken out of sight.	Demonstrates an understanding of one, two and more.	Creates groups of objects. Adds and removes to group as promp
	16.1 Identifies shapes16.2 Manipulates parts and wholes	Manipulates objects that are a variety of shapes. Tries to put one object inside of another.	Matches two identical shapes. Fills container and then dumps out the contents.	Identifies a few basic shapes. Puts together two to three pieces to create a whole object.
				Recognizes familiar objects that are up-side down and turns them
	17.1 Flips and rotates objects	Plays with objects and toys that are a variety of shapes.	Purposely turns or spins objects.	right-sight up.
Awareness	17.2 Determines object location	Participates as caregiver raises arms or legs and says up/down.	Follows simple positional directions such as on/off, over/under and up/down.	When prompted, finds or places objects next to, between, in from behind self.
	17.2 Determines object location18.1 Identifies and creates patterns	Plays predictable activities with caregivers such as patty-cake and		When prompted, finds or places objects next to, between, in from behind self. Copies patterns with two steps, such as red-blue, red-blue.
Awareness	•		and up/down.	behind self.
Awareness 18 Patterns	18.1 Identifies and creates patterns	Plays predictable activities with caregivers such as patty-cake and peek-a-boo. Recognizes familiar people and objects. Recognizes when to use whole hand or just two fingers to pick up	and up/down. Attempts to mimic vocal and physical patterns.	behind self. Copies patterns with two steps, such as red-blue, red-blue. Sort objects by one feature, such as size or color. Determines which object is bigger (heavier, longer) when given
Awareness 18 Patterns	18.1 Identifies and creates patterns 18.2 Matches, sorts and charts 19.1 Estimates and measures	Plays predictable activities with caregivers such as patty-cake and peek-a-boo. Recognizes familiar people and objects. Recognizes when to use whole hand or just two fingers to pick up an object.	and up/down. Attempts to mimic vocal and physical patterns. When shown one object, finds the match.	behind self. Copies patterns with two steps, such as red-blue, red-blue. Sort objects by one feature, such as size or color. Determines which object is bigger (heavier, longer) when given two objects.
Awareness 18 Patterns and Sorting 19 Measurement	18.1 Identifies and creates patterns 18.2 Matches, sorts and charts 19.1 Estimates and measures 19.2 Compares and seriates	Plays predictable activities with caregivers such as patty-cake and peek-a-boo. Recognizes familiar people and objects. Recognizes when to use whole hand or just two fingers to pick up an object. Picks up and puts down objects. Demonstrates an understanding of more.	and up/down. Attempts to mimic vocal and physical patterns. When shown one object, finds the match. Explores size and weight of objects in relation to self. Places objects in a line. Demonstrates an understanding of more, none and one.	behind self. Copies patterns with two steps, such as red-blue, red-blue. Sort objects by one feature, such as size or color. Determines which object is bigger (heavier, longer) when given two objects. Compares and orders two to three objects according to size, lengthue or weight.
Awareness 18 Patterns and Sorting	18.1 Identifies and creates patterns 18.2 Matches, sorts and charts 19.1 Estimates and measures	Plays predictable activities with caregivers such as patty-cake and peek-a-boo. Recognizes familiar people and objects. Recognizes when to use whole hand or just two fingers to pick up an object. Picks up and puts down objects. Demonstrates an understanding	and up/down. Attempts to mimic vocal and physical patterns. When shown one object, finds the match. Explores size and weight of objects in relation to self. Places objects in a line. Demonstrates an understanding of more, none	behind self. Copies patterns with two steps, such as red-blue, red-blue. Sort objects by one feature, such as size or color. Determines which object is bigger (heavier, longer) when given two objects. Compares and orders two to three objects according to size, length.
Awareness 18 Patterns and Sorting 19 Measurement 20 Logic	18.1 Identifies and creates patterns 18.2 Matches, sorts and charts 19.1 Estimates and measures 19.2 Compares and seriates 20.1 Solves problems 21.1 Identifies community	Plays predictable activities with caregivers such as patty-cake and peek-a-boo. Recognizes familiar people and objects. Recognizes when to use whole hand or just two fingers to pick up an object. Picks up and puts down objects. Demonstrates an understanding of more.	and up/down. Attempts to mimic vocal and physical patterns. When shown one object, finds the match. Explores size and weight of objects in relation to self. Places objects in a line. Demonstrates an understanding of more, none and one.	behind self. Copies patterns with two steps, such as red-blue, red-blue. Sort objects by one feature, such as size or color. Determines which object is bigger (heavier, longer) when given two objects. Compares and orders two to three objects according to size, lengthue or weight.
Awareness 18 Patterns and Sorting 19 Measurement 20 Logic 21 Families and	18.1 Identifies and creates patterns 18.2 Matches, sorts and charts 19.1 Estimates and measures 19.2 Compares and seriates 20.1 Solves problems	Plays predictable activities with caregivers such as patty-cake and peek-a-boo. Recognizes familiar people and objects. Recognizes when to use whole hand or just two fingers to pick up an object. Picks up and puts down objects. Demonstrates an understanding of more. Reacts to a problem and seeks a desired outcome.	and up/down. Attempts to mimic vocal and physical patterns. When shown one object, finds the match. Explores size and weight of objects in relation to self. Places objects in a line. Demonstrates an understanding of more, none and one. Experiments with cause and effect.	behind self. Copies patterns with two steps, such as red-blue, red-blue. Sort objects by one feature, such as size or color. Determines which object is bigger (heavier, longer) when given two objects. Compares and orders two to three objects according to size, lengthue or weight. Recognizes a problem and asks for help.
Awareness 18 Patterns and Sorting 19 Measurement 20 Logic	18.1 Identifies and creates patterns 18.2 Matches, sorts and charts 19.1 Estimates and measures 19.2 Compares and seriates 20.1 Solves problems 21.1 Identifies community and family roles	Plays predictable activities with caregivers such as patty-cake and peek-a-boo. Recognizes familiar people and objects. Recognizes when to use whole hand or just two fingers to pick up an object. Picks up and puts down objects. Demonstrates an understanding of more. Reacts to a problem and seeks a desired outcome. Responds to primary caregivers.	and up/down. Attempts to mimic vocal and physical patterns. When shown one object, finds the match. Explores size and weight of objects in relation to self. Places objects in a line. Demonstrates an understanding of more, none and one. Experiments with cause and effect. Recognizes the difference between a familiar and unfamiliar person.	behind self. Copies patterns with two steps, such as red-blue, red-blue. Sort objects by one feature, such as size or color. Determines which object is bigger (heavier, longer) when given two objects. Compares and orders two to three objects according to size, lengthue or weight. Recognizes a problem and asks for help. Identifies familiar people and pets. Recognizes familiar symbols or artifacts of family traditions or cut
Awareness 18 Patterns and Sorting 19 Measurement 20 Logic 21 Families and	18.1 Identifies and creates patterns 18.2 Matches, sorts and charts 19.1 Estimates and measures 19.2 Compares and seriates 20.1 Solves problems 21.1 Identifies community and family roles 21.2 Explores cultures and traditions	Plays predictable activities with caregivers such as patty-cake and peek-a-boo. Recognizes familiar people and objects. Recognizes when to use whole hand or just two fingers to pick up an object. Picks up and puts down objects. Demonstrates an understanding of more. Reacts to a problem and seeks a desired outcome. Responds to primary caregivers. Is exposed to family traditions or cultural events.	and up/down. Attempts to mimic vocal and physical patterns. When shown one object, finds the match. Explores size and weight of objects in relation to self. Places objects in a line. Demonstrates an understanding of more, none and one. Experiments with cause and effect. Recognizes the difference between a familiar and unfamiliar person. With help, participates in family traditions and customs.	behind self. Copies patterns with two steps, such as red-blue, red-blue. Sort objects by one feature, such as size or color. Determines which object is bigger (heavier, longer) when given two objects. Compares and orders two to three objects according to size, lengthue or weight. Recognizes a problem and asks for help. Identifies familiar people and pets. Recognizes familiar symbols or artifacts of family traditions or cut
Awareness 18 Patterns and Sorting 19 Measurement 20 Logic 21 Families and Communities	18.1 Identifies and creates patterns 18.2 Matches, sorts and charts 19.1 Estimates and measures 19.2 Compares and seriates 20.1 Solves problems 21.1 Identifies community and family roles 21.2 Explores cultures and traditions 21.3 Respects diversity	Plays predictable activities with caregivers such as patty-cake and peek-a-boo. Recognizes familiar people and objects. Recognizes when to use whole hand or just two fingers to pick up an object. Picks up and puts down objects. Demonstrates an understanding of more. Reacts to a problem and seeks a desired outcome. Responds to primary caregivers. Is exposed to family traditions or cultural events. Sees diverse features of people in books, toys and media.	and up/down. Attempts to mimic vocal and physical patterns. When shown one object, finds the match. Explores size and weight of objects in relation to self. Places objects in a line. Demonstrates an understanding of more, none and one. Experiments with cause and effect. Recognizes the difference between a familiar and unfamiliar person. With help, participates in family traditions and customs. Explores people and their features side by side in a book or a mirror.	behind self. Copies patterns with two steps, such as red-blue, red-blue. Sort objects by one feature, such as size or color. Determines which object is bigger (heavier, longer) when given two objects. Compares and orders two to three objects according to size, lengthue or weight. Recognizes a problem and asks for help. Identifies familiar people and pets. Recognizes familiar symbols or artifacts of family traditions or culdentifies physical similarities and differences between self and or Recognizes and attends to authority figures. Recognizes ownership of familiar objects.
Awareness 18 Patterns and Sorting 19 Measurement 20 Logic 21 Families and Communities 22 Civics and Economics	18.1 Identifies and creates patterns 18.2 Matches, sorts and charts 19.1 Estimates and measures 19.2 Compares and seriates 20.1 Solves problems 21.1 Identifies community and family roles 21.2 Explores cultures and traditions 21.3 Respects diversity 22.1 Understands citizenship	Plays predictable activities with caregivers such as patty-cake and peek-a-boo. Recognizes familiar people and objects. Recognizes when to use whole hand or just two fingers to pick up an object. Picks up and puts down objects. Demonstrates an understanding of more. Reacts to a problem and seeks a desired outcome. Responds to primary caregivers. Is exposed to family traditions or cultural events. Sees diverse features of people in books, toys and media. Attends to others in immediate environment.	and up/down. Attempts to mimic vocal and physical patterns. When shown one object, finds the match. Explores size and weight of objects in relation to self. Places objects in a line. Demonstrates an understanding of more, none and one. Experiments with cause and effect. Recognizes the difference between a familiar and unfamiliar person. With help, participates in family traditions and customs. Explores people and their features side by side in a book or a mirror. Participates in communal activities.	behind self. Copies patterns with two steps, such as red-blue, red-blue. Sort objects by one feature, such as size or color. Determines which object is bigger (heavier, longer) when given two objects. Compares and orders two to three objects according to size, lend hue or weight. Recognizes a problem and asks for help. Identifies familiar people and pets. Recognizes familiar symbols or artifacts of family traditions or cull dentifies physical similarities and differences between self and of Recognizes and attends to authority figures. Recognizes ownership of familiar objects.
Awareness 18 Patterns and Sorting 19 Measurement 20 Logic 21 Families and Communities 22 Civics and	18.1 Identifies and creates patterns 18.2 Matches, sorts and charts 19.1 Estimates and measures 19.2 Compares and seriates 20.1 Solves problems 21.1 Identifies community and family roles 21.2 Explores cultures and traditions 21.3 Respects diversity 22.1 Understands citizenship 22.2 Understands concepts of trade	Plays predictable activities with caregivers such as patty-cake and peek-a-boo. Recognizes familiar people and objects. Recognizes when to use whole hand or just two fingers to pick up an object. Picks up and puts down objects. Demonstrates an understanding of more. Reacts to a problem and seeks a desired outcome. Responds to primary caregivers. Is exposed to family traditions or cultural events. Sees diverse features of people in books, toys and media. Attends to others in immediate environment. Grasps and releases objects.	and up/down. Attempts to mimic vocal and physical patterns. When shown one object, finds the match. Explores size and weight of objects in relation to self. Places objects in a line. Demonstrates an understanding of more, none and one. Experiments with cause and effect. Recognizes the difference between a familiar and unfamiliar person. With help, participates in family traditions and customs. Explores people and their features side by side in a book or a mirror. Participates in communal activities. Expresses a desire for an object or action. Says me, mine.	behind self. Copies patterns with two steps, such as red-blue, red-blue. Sort objects by one feature, such as size or color. Determines which object is bigger (heavier, longer) when given two objects. Compares and orders two to three objects according to size, lengthue or weight. Recognizes a problem and asks for help. Identifies familiar people and pets. Recognizes familiar symbols or artifacts of family traditions or culdentifies physical similarities and differences between self and or Recognizes and attends to authority figures. Recognizes ownership of familiar objects. Identifies a variety of familiar places, such as the store, car, home
