

Welcome to the Minot Air Force Base Library

We hope we can help you find and access the information and resources you need. Please ask us if you have trouble finding something or if you need an item that the library does not have. The library's mission is three-fold: to support the Air Force mission, to support professional and voluntary education, and to support the quality of life on the base. We provide base offices with mission essential publications and provide individuals with: CSAF Reading List and other professional military titles; CLEP/DANTES study materials; materials to aid those engaged in voluntary education; self-improvement materials; books with information on military family life, deployment, and various problems that can occur in life; materials to support the Exceptional Family Member Program, and general non-fiction and fiction materials that promote resilience, improve literacy, aid self-education, and provide enjoyment. We try to respect and provide for everyone. You can help by returning items on time and in good condition. Thank You!

Physical Resources

You can check out the following and take them home for up to 2 weeks!

Books, DVDs, Audiobooks and More!

- Children's and teen materials
- ACT, SAT, GED test prep
- Books about homeschooling

STEM (Science, Technology, Engineering, Arts, Mathematics) Materials

- Lego Kits including Simple Machines and Mechanisms, WeDo (simple robotics) and Mindstorms Lego Robotics
- Little Bits Kits - simple electronics kits
- Launchpads - locked down tablet with educational games

Services

Inter-Library Loan - The Library can borrow books from other libraries on your behalf. Normally, there is a limit of 7 at a time, but homeschooling families with good borrowing records can request that the limit be raised

Request a Library Orientation – The Library can help you teach your kids research skills

Computers, printer, scanner, photocopier, wi-fi, 3D Printer

Small meeting room that can be reserved.

Online Resources - Article databases, e-books, e-audiobooks, e-magazines, language learning, test prep and more

Programs

Newbery Book Club

- for ages roughly 7-13, this book club reads and discusses one Newbery Award winning or honor book per month
- meets on the 4th Monday of each month at 3:30 PM

Summer Reading Program

- For all ages
- Second Saturday of June through the second Saturday in August
- Helps prevent or reverse the loss of reading skills over the summer

Check out the library's calendar each month for other programs including those that teach library skills or STEAM.
