

Competency Reflection

Each statement below refers to behaviors or attributes you should demonstrate when interacting with children and families. Many of the competencies are directly observable during your typical workday. Other competencies may be assessed through conversations with your trainer, coach, or administrator. For each of the statements, select your current level of mastery. A similar version of this tool will be used by your trainer, coach, or administrator to guide their observation of your competencies in this content area.

E Emerging

You believe you need more information to understand or incorporate a particular competency into your practice

D Developing

You believe you have an understanding of the competency, and are working to properly apply it your work

M Mastered

You believe you have fully mastered and consistently implement a particular competency

COMPETENCY	REFLECTION			NOTES
I Direct Observation				
1 Ask open-ended questions that focus on a child's well-being.	E	D	M	
2 Observe children for signs of abuse or neglect and make a report when there is a concern.	E	D	M	
II Observation or Conversation				
1 Learn about the cultural practices of the children cared for in the family child care home.	E	D	M	
2 Know and understand the reporting information and procedures specific to this state, and/or Military Service, and program.	E	D	M
