End of Course Assessment

Dates Certifier

1. Name three areas in your practice as a family child care provider in which you strive to maintain high professional standards.

2. Describe a difficult ethical situation you have encountered in your work as a family child care provider, and share how you handled it.

3. What are four important elements of professional behavior?

4.	Discuss the issue of confidentiality in your work with children, youth, and families.
5.	Your friend Nila, also a family child care provider, lives next door to 3-year-old Stefan, who is in your program. Nila comes to you and asks how Stefan is doing. His parents are concerned about his behavior at home and want to make sure he is behaving in your program. How do you respond?
6.	Continuing to learn and grow in your practice as a family child care provider enhances your work with children youth, and families. Describe three ways you will continue learning and growing in your practice.
7.	Your friend Jayce, also a family child care provider, shares with you that he is feeling very stressed in his program. What suggestions would you offer him on how to cope with stress?

8. How do you use visualization in your family child care program?
