

Offerings for Expectant/New Mothers

Airman & Family Readiness Center **723-3950**

Bundles for Babies - Held monthly

Get tips on budgeting for your new baby! Find out what support programs are available in the Minot area. Learn more about parenting skills and meet other expectant parents. The class is open to all ranks and is not limited to a first pregnancy. Attendees will receive a free gift for their new baby, courtesy of the Air Force Aid Society.

Childbirth & Breastfeeding Basics - Contact A&FRC for dates. Presented by a LPN from Trinity Family Birth Center, this **FREE** class is held on four consecutive Wednesdays from 7pm-9pm. Classes should be attended during the last 6-8 weeks of pregnancy. Enrollment is limited.

Child Development Center **723-3750**

Give Parents a Break - Held once per month.

This program is designed to relieve the stress that accompanies parenthood when a member is deployed, TDY more than 30 days, or in unique circumstances as determined by Commanders/First Sergeants. This program allows the parent to receive four hours of free childcare twice a month at the Child Development Center or School Age Program/Youth Program. Please contact the Airman & Family Readiness Center for more information.

Nursing Area

Private space is provided for nursing mothers out of the classroom at the CDC.

New Parent Orientation - Second and fourth Wednesday of each month. Come to the CDC and meet the CDC Director and find out information about the program.

CYB MFLC **(701) 425-7905**

The Child and Youth Behavioral Military Family Life Consultant is available for new parents needing assistance in dealing with the stress of a new born.

Family Advocacy/New Parent Support Program **723-5096**

Located at the 5th Medical Group in the Mental Health Clinic.
POC Linda Miller, RN, BSN, CLC 723-5096.

NPSP - Design to give you the confidence to bring home and care for your new baby. Becoming a parent comes with many obstacles that you may or may not have been aware of. Help answer your questions as well as give you reliable information about taking care of your baby.

Breastfeeding - Help for mothers who have decided they want to breastfeed or mothers who want more information about breastfeeding. Education on the many techniques to use with your new baby. Receive accurate information and support that you need to gain confidence and start an amazing bond with your baby.

Happiest Baby on the Block - DVD program instruction, FAP Lending Library

Lactation Room - Clean, secure, and pleasant room with running water and electrical outlets for working mothers and visitors to use to pump/express breastmilk for their babies while mothers are at work. Located in pediatrics at the 5th Medical Group.
