

Dear Guest,

Welcome to Spangdahlem Air Base, home of the 52d Fighter Wing. It is an honor to have you as our guest at the Eifel Arms Inn. We take great pride in our facilities and are pleased to serve you. My staff and I are committed to providing you with comfortable lodging and quality service; a commitment I am sure you will see during your stay.

I encourage you to take the opportunity to enjoy the local area. Spangdahlem Air Base is located in the heart of the Eifel, State of Rheinland-Pfalz, and from here it's approximately a 30-minute drive to Trier, Germany's oldest city. The local area is filled with fine dining, festivities and beautiful landscapes. To help you get started, you will find a hand-out at the front desk with simple German phrases along with a number of informational fliers.

For your convenience, this guest directory contains information on various base services and I hope this information helps you feel more confident as you begin to make your way through the area. As all of our lodging rooms have free internet, please check out what the 52d Force Support Squadron has to offer at [52FSS.com](http://52FSS.com).

Making your stay a complete success is our goal. If we can assist you in any way, just call the front desk, available 24 hours a day, by dialing "0" or dialing 99-06565-9489989 and then press "0". ***I encourage you to take the time to share with us your opinion on the "Quality" of your stay and the performance of our staff by completing a guest comment card. Guest comment cards can be found in your room and at the front desk. Your comments are very important to us!***

If you're experiencing problems during your stay and the problem is not being resolved to your satisfaction, please inform the front desk that you wish to speak to the Lodging Manager. The clerk will contact me and I will get with you as soon as possible.

## GENERAL LODGING INFORMATION

### FIRE AND SAFETY

- Turn off all lights, the television, the radio, and your computer if you brought it with you, every time you leave your room or when you're not using them
- Turn the water "ON" and "OFF" when shaving instead of letting the water run. The same when you're brushing your teeth.
- Take an 8 minute shower instead of 10 minutes
- During winter months, please turn your heaters down when not in your room. This will help reduce cost and prevent mold build-up.
- Re-use your towel "one more time" and report faucet leaks immediately.

## GENERAL LODGING INFORMATION GUEST SERVICES

### HIGH SPEED INTERNET ACCESS (HSIA)

All rooms in the Eifel Arms Inn have wireless internet reception. Building 520 is also equipped with in-room HSIA service (plug and play) with little or no configuration needed.

If connecting via cable, you will need an 8-pin RJ-45 Ethernet cable for laptops or desktop computers with a properly configured Network Interface Card (NIC) and an Internet Browser installed on the computer. If you already use your computer on a network at home or at your office you should be able to access our service. If you experience problems connecting to the internet, please call the front desk by dialing “0” from your room phone.

**NOTE: This service is not intended for down loading games or movies. The down loading of games and movies congests the bandwidth and prevents other guests from accessing the internet. Additionally, if the internet provider is called because guests cannot access the internet and it is determined a guest is downloading games or movies, the guest will be charged the cost of the service call. This can be in excess of 500 Euro. Your computer should be turned off when you are not in your room.**
