# RV Storage Lot

## Outdoor Recreation

Building 475

Dover Air Force Base, Delaware

Phone: 302-677-3959

Effective Date: 1 August 2022

## Eligibility Priority

AFI 34-101

1. Active Duty/Reserve Military
2. Retired Military (20ft/20ft or 20ft Only)
3. Other (20ft spots only)

## Storage Registration

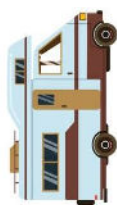

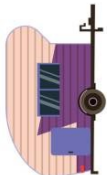

You will need to bring your state issued vehicle registration card, proof of insurance and DoD ID card to Outdoor Recreation, building 475.

**ALL ITEMS STORED MUST BE PROPERLY REGISTERED AND DISPLAY CURRENT LICENSE TAGS AT ALL TIMES.**

## \*Fees

We utilize an automated payment system, Orbital, for your monthly rental fee - this system stores credit or debit card information and automatically charges your card for your monthly payment on the 1st of every month. Participation in the Orbital system is required to store an item in our lot. The **only** exception is for short term non-renewable contracts of 6 months or less and must be paid in full up front.

Size	*Monthly Fee
20ft	\$34
20ft/20ft	\$50
40ft	\$55
45ft	\$61

## Policies

The following policies are for customer benefit and **must be followed at all times**, or you may lose the privilege of using the storage lot:

- Stored items must be parked within the confines of their assigned space only. Parking in a different space can result in immediate contract cancellation. **UNDER NO CIRCUMSTANCES** will customers change storage spots once assigned nor can a spot be directly transferred when a stored item is sold.
- For all spaces: No part of a stored item will extend over the grass, into another customer's spot, or extend beyond the limits of the assigned spot: item must be inside the white lines to each side and the imaginary line at the opening connecting the ends of the lines. If you have a 45FT space, your item must be parked behind the red spots and must not extend over the sand at the back of your space (but may extend over the rear white line).
- If you register for a space, and your item is determined to be too large for the size of the space you requested, your item will be immediately evicted from the lot, and any storage fees you already paid will **not** be refunded. A larger space (if you are eligible for one) is not guaranteed to be available right away. (measure back of item through the tongue)
- Stored items must be in operational condition at all times (no flat tires, etc).
- State license registration/tags must be current and permanently mounted to stored item **at all times**. Only Active Duty members are authorized to have out of state registration on their item - Per Delaware State Law, all others must be registered in the state of Delaware, unless you can provide proof of residency in another state.
- Liability/comprehensive insurance must be kept current at all times.
- All watercraft must be secured on a trailer.
- Minor maintenance permitted (replacing light bulbs, tire changes, polishing/cleaning) as long as to not impede on sounding spaces. Extensive maintenance prohibited (changing engine oil or coolants, replacing motor parts, brake work, etc.).
- Vehicles must be properly secured. This is especially critical to prevent movement and/or items becoming airborne during severe weather. This is to protect your property as well as the protection of other customer's property. Inexpensive plastic chocks are known to blow away and are not recommended, heavier chocks or bricks should be used.
- **No items stored with any company logo are to be park in RV Storage at anytime.**
