NEXT

You can upload the generic degree plan found on your school's website. With that degree plan you will be able to take up to two classes using TA. After that, we need your official degree plan. This means that you have sent ALL relevant transcripts to your school (CCAF, previous college, CLEP/DSST), they have evaluated, and applied appropriate transfer credits. Send that new degree plan to education3@us.af.mil.

7.

How many credits are required for the student's degree?

Enter the total amount of credits required to complete the student's degree credits. For example, if the requirement is 120sh to obtain the degree and this area.

Required Credits *

120
