Did You Know?

The Military Interstate Children's Compact Commission (MIC3) provides consistency across states and was drafted with the intent to avoid conflict with existing state codes where possible. It replaces widely varying policies that affect transitioning military students and supports uniform treatment for military-connected students as they transfer between school districts and member states.

Exceptional Family Member Program

(EFMP)

If you are a family with a student that has special needs, please contact the EFMP– Family Support Coordinator (EFMP-FS) Ms. Kelly Painter.

The average military-connected student will attend six to nine different schools from Kindergarten to 12th grade. With each move, military children and families face many school-related challenges, which include:

- » *School Choice*
- » *Transfer of Records*
- » *Immunization and Age Requirements*
- » *Students in Special Programs*
- » *Students with Special Education Needs*
- » *School Calendars and Schedules*
- » *Graduation Requirements*
- » *Sports and Extra-curricular Activities*
- » *Connectedness*
- » *Senior Year Moves*

School Liaisons are working together to provide support to students and families throughout the world. No matter where your military service takes you, we will be there to assist you in making a successful educational transition.
