

BIOGRAPHY

UNITED STATES AIR FORCE

LACEY P. ALLEN

Lacey P. Allen is the School Liaison Specialist of the 1st Special Operations Wing, Force Support Squadron, Hurlburt Field, Florida. She establishes, implements and coordinate admin & operational policies & procedures that generates real-time solutions for approximately 4,000 military-connected students in Pre-Kindergarten through grade 12. As the subject matter expert, Mrs. Allen serves as the advisor to the Installation Commander regarding PreK-12 education to ensure military-connected students are provided opportunities to thrive academically, socially, and emotionally as they face global educational challenges and transitions. As School Liaison, Mrs. Allen collaborates with educational and community stakeholders to build an ecosystem for enhanced educational opportunities and partnerships.

Mrs. Allen has been assigned to Hurlburt Field since 2012 and considered a leader amongst her peers. Prior to her current assignment she served as Training and Curriculum Specialist at Hurlburt Field. Ms. Allen has provided support for the largest Air Force Special Operations Command and most deployed wing in Air Force in support of the mission. As Training and Curriculum Specialist and School Liaison her team received 5 Air Force Level A1 Awards. In 2020, she completed Air Force Organizational Leadership course, followed by the completion of the Department of Air Force Emerging Leader Course in 2022.
