A Year of Gratitude and Anticipation: Reflecting on 2024 and Embracing 2025 at Joint Base Anacostia-Bolling

Maj Samantha Davies, 11 FSS/CC

As we bid farewell to 2024, it's a perfect time to reflect on the incredible year we've had at Joint Base Anacostia-Bolling. The unwavering support, dedication, and resilience of our community have made this year truly extraordinary. Every member of our Joint Base family has played a vital role in our collective success, and we extend our heartfelt thanks to each one of you.

This past year, we have witnessed numerous acts of kindness, perseverance, and unity. From participating in community events to excelling in your duties and lending a helping hand to those in need, you have exemplified the very best of our values. Your commitment has not gone unnoticed, and we are deeply grateful for the trust and camaraderie that bind us together.

As we look ahead to 2025, we are filled with excitement and anticipation for the new opportunities and experiences that await us. During our Winter Fest event in December, our community gathered around the wishing tree to share hopes and dreams for the coming year. The wishes expressed were a testament to the compassion, strength, and unity of our community. Themes of love and happiness for our families, support for those who feel alone, and a desire for more people to feel loved and appreciated were at the heart of these wishes. We also wished for more family time, safety, success, prosperity, new beginnings, and strong connections.

In 2025, we aim to continue fostering an environment where these values thrive. Our calendar is packed with exciting events and opportunities that reflect our commitment to growth and community spirit. These events and initiatives are more than just dates on a calendar; they are opportunities to come together, celebrate our achievements, and build a brighter future. The new year brings with it the promise of new beginnings and the chance to build on the foundations we have laid.

We are confident that, together, we can achieve great things and create a brighter future for all. Thank you for your commitment, your spirit, and your unwavering dedication to our community. Here's to a 2025 filled with love, happiness, and prosperity.

TITAN THOUGHT

A CLEAN SLATE

Mr. Wayne McCray

What are we referring to? Historically the phrase “clean slate” comes from the use of chalk and slates in classrooms environments. It’s a chance to start over without preconceptions. A new start—a brand new beginning; especially clearing the record of mistakes, failures, regrets, and missed opportunities.

We give ourselves permission to believe that we can move forward living life with a slate that is cleaned. It may have been through confession, reassurance, or checking, but the future is clearly in view now. Optimism surrounding prospects is our new focus and motivation.

It is paramount that we let go of the past, identify areas we need to revamp, and intentionally guide our lives on forward moving trajectories. With self-awareness and fortitude, it is possible, even if we cannot completely erase history, for us to start with a relatively clean slate.

A fresh start involves a clearing of the mind, body, and soul, making way for new ideas, concepts, realities, and dreams. Yes, your entire being can undergo this fresh start, your career, your personal experiences, your faith, your physic, your habits, your goals, and really any positive changes to your routines. A reset can and should involve every area of your life.

A fresh start, an innovative definition of self, and redefining yourself can be igniting! What a powerful way to begin a routine, a new habit, set new goals, and include a support mechanism of family and friends who help you succeed. I am excited about what the future promises for you. Your time is now.
