JBLE-Eustis Youth Sponsorship Introduction Letter

So...you're moving! Are you nervous? Scared? Excited? We know moving can really be difficult sometimes, especially when you liked the place you lived. Saying goodbye to your friends, switching schools, and knowing it's just something you have to do, even if you don't want to. It's really hard. Wouldn't it be great if you could talk to someone who lives in your new location and goes to your school so you could ask them the million and one questions you have? That's what your Youth Sponsorship Program is designed to do! This program helps you connect with another youth who is already in your new location, knows what's going on at school and on the installation, and who can answer most questions you may have.

Through the Youth Sponsorship Program, you will be able to:

Meet a new friend. You'll have a familiar face and someone you know before you even get to your new location. This can make meeting other people much easier.

Learn about your new school and installation before you get there. Before you move, you'll get paired up with another kid your age (your "sponsor") who lives where you'll be living and goes to the school you'll attend. Your new friend can tell you what the teachers are like and what fun things are going on!

Ask a lot of questions. You must have a lot of questions about your new location and your new school, and your sponsor can help you answer them. Ask things about your school, your youth center, the other kids, and anything else that's on your mind.

Meet up and get a tour. Once you've actually arrived at the installation, remember to make plans to meet up with your sponsor. He or she can then show you around and introduce you to his or her friends. It's a great way to build a social circle - and most of the work is already done for you!

Interested? Please fill out the attached Request for Pen Pal/Youth Sponsorship form to get started!
