

Ebenefits Account Creation

Create a user name and password at <https://www.ebenefits.va.gov> .

Click on Register (Top right of web page)

On the DS Logon Screen:

Click on None of the above conditions apply, however at least one of the following conditions is true:

Click Continue

Fill out required information to create user name and password. It is important to have your username and password because you will no longer have CAC access after your separation date.
