

Space Force Families: Update Your Branch of Service in MilitaryChildCare.com

MILITARY
CHILDCARE dot **COM**

Families can now select Space Force as their Branch of Service in MCC. If you already have a household profile in MCC, please update the sponsor information. Visit MilitaryChildCare.com to log in to your account. Select My Household Profile then Update Sponsor & Spouse Information. Scroll to the Branch of Service section, select **Space Force**, and save the information. Updating your information does not affect your requests for care. Do you need help with child care, but don't have an MCC account? Go to MilitaryChildCare.com to create one for your family.

If you need help, contact the Family Support Help Desk at FamilySupport@MilitaryChildCare.com or toll free at 855.696.2934 and select Option 1.
