

Sir Vis needs some help!

Our knight decided to get all dressed up for the 4th of July, but his outfit is falling a bit flat. Can you give him a splash of color or even accessorize him with your own creations? Creativity and originality are 2 of Sir Vis' favorite things, so feel free to think outside the box!

Bring your fully decked-out knight to the marketing office in building 977 to be entered to win our coloring contest. Winners will be announced on July 1st during Liberty Fest!
