START Smart, Pee Wee, and Tee Ball will play in-house against each other and will not travel off the installation. Rookies, Minors, Juniors, and Seniors divisions play other teams from other Little Leagues in District 13 both on and off base. Coaches will contact Parents/Guardians of players of any delays or cancellations of games due to inclement weather and/or field safety once confirmation is provided from the Youth Sports Office. Parents of children with special needs must be present at all at practices and games. If you are unsure of practice or game times, please contact your coach or the 87 FSS Youth Sports Office. The 87 FSS Youth Sports Program welcomes all forms of positive reinforcement and enthusiasm from all participants.
- COACHES:** All volunteer coaches must be certified by a Youth Sports Clinician and through the National Youth Sports Coaches Association (NYSCA). See Important Dates on reverse side for the next certification training. The 87 FSS Youth Sports Program adopts the NYSCA standards of safety and coaching etiquette. The NYSCA teaches psychological and emotional needs of children while in youth sports, basic sport skills, sportsmanship, and emphasis on participation rather than winning. In addition, each coach must complete an installation records check (IRC) which will be checked through the McGuire Family Advocacy Program.
