

Fishing Permits:

Have your NJ State Fishing/Hunting License and a working printer needed.

1. Go to the website: <https://jbmdl.isportsman.net/default.aspx>
2. On the Home Page, click on the "Register" tab. Create an account if you haven't already created it. Fill in all information and click "Continue" button.
3. In the next personal information page, enter your New Jersey State Fishing/Hunting License Number at the bottom of the page.
4. Once you have completed the registration process it will automatically log you on and bring you to the permit's main page.
5. On the permit main page in the left corner, click "Acquire Permit(s)" button to see the available permits for you to purchase.
6. Find the permit of your interest (for example: JB MDL Fishing Permit), click it to Add to Cart.
7. Click on the view cart/purchase button in the upper right corner, click proceed it button, and enter your credit card information.
8. Once the transaction has completed, it will prompt you to print your permit. A Permit and a Vehicle Pass will print.

Hunting Permits:

Have your NJ State Fishing/Hunting License and a working printer needed.

1. Follow the registration steps above (steps 1-4). Once registered, the permit main page open.
2. On the permit main page in the far right corner there is a box to enter a Validation Code. The Validation Code is given at the Hunting Briefings for DCAM (Cantonment Archery base program - ask 87FSS ODR) or DRA (Range Area base program - ask 87FSS Range 14).
3. Enter the code and click on Submit Access code.
4. The screen will refresh and a green banner pops up on the top saying "Successful Hunters Brief activation".
5. Click on "Acquire Permit(s)" and all available hunting permits display.
6. Choose the permit of your interest, and follow the above steps 6-8.
