

# Application for Temporary Food Serving Facility

Date: \_\_\_\_\_

1. AFI 48-116 permits organizations to operate temporary food serving facilities (food booths, bake sales, etc.) within certain guidelines. These guidelines are established to ensure food is handled in a safe and sanitary manner. Please complete the following application and return it to Public Health at the 366 MDG, Bldg 6000. We'll review the application and discuss any necessary changes with you. Public Health personnel may also inspect your facility during this operation to evaluate food safety and sanitation practices. If you need additional assistance, contact Public Health at 8-7280.
