Our RV trailers are 26-foot travel trailers located at Sawtelle Mountain Resort. The trailers sleep six people. These well-maintained, modern trailers are fully equipped with cooking and eating utensils, as well as heating and cooling systems. You will need to bring your own bedding, towels, pillows, food, toiletries, and cleaning supplies. Although the trailers do have showers, larger groups may want to utilize the campgrounds rest room/shower facility. While every effort is made to ensure the inventory of items is accurate and that everything functions as it should, there are sometimes problems. There is an on-site camp host, who will do everything possible to correct the deficiency. We ask that users be patient and flexible. Directions and key codes will be provided when a reservation is confirmed.

Reservations and Refunds

Reservations

There are specific dates when you can begin booking reservations via the telephone. If you want to rent from Memorial Day weekend thru to June, call on the first business day of April. If you want to rent for July dates, call on the first business day of May. For August and September dates, call on the first business day of June. The telephones will be very busy on these dates - keep trying. If you have some flexibility in your trip dates, your chances are very good even several days after the initial bookings have started. Reservations must be paid at the time the booking is made. Checks cannot be accepted for bookings made over the phone. Checks are only accepted when the booking is made in person at the ODR Office.

To receive a refund (less \$25 cancellation fee) cancellations must be made thirty days prior to the first day of occupancy. In addition, the ODR cannot be held responsible for inclement weather and will therefore not accept this as a reason for late cancellation or for a refund.
