**DO NOT USE FORM FOR FUNERAL HONORS**

The Niagara Falls Air Force Base Honor Guard Team is honored to support community events throughout Western New York in addition to our congressionally mandated military funeral honors mission.

To request Military Funeral Honors, call (609) 562-6141 to speak with a Mortuary Affairs Representative.

To request color guard support, please complete this form and return it to the email address above.

**Requestors should be advised- we prioritize events using the following criteria:**

- (1) **Military Funeral Honors**
- (2) **Official Military Functions (by date of request)**
- (3) **All other requests for support (by date of request)**

Our decision to cancel support is based on manpower and workload. In rare instances where we cannot support, we will make every effort to provide the requestor with as much notice in advance as possible.

Thank you for inviting us to be part of your event
