PROGRAM DEVELOPMENT-3 TYPES

1. Ready to Execute (RTE)

FSS related events should be considered first as they are pre-approved, easy to implement, and keep funds on the installation.

2. Unit Developed Program (UDP)

UDP's capitalize on opportunities in the local area and require prior approval from the AFSVA.
Approval may take up to 30 days.

3. Volunteer/Free

Charitable work provides a cost effect team building activity that allows co-workers to see each other in a new light and can make a real difference in your community. Free events don't need approval, but info still needs to be captured.

ELIGIBILITY

Unite programs benefit all Airmen in a unit including assigned Active Duty, Reserve, and APF/NAF Civilians.

Family members may participate, but they must pay any applicable fees.
