RECREATIONAL FISHING

The four Air Force Academy lakes and three Farish

Recreation Area lakes are stocked with 9-11" rainbow trout from May through September and channel catfish are occasionally stocked in the Academy's lakes. Grass carp are used to control aquatic weeds and should be released.

The sale of fishing permits covers the yearly cost of stocking the hatchery-reared trout and catfish. **All anglers 16+ years of age must purchase a one-day or annual fishing permit**, which is valid for both the Air Force Academy and Farish Recreation Area. A permit allowing the use of a second fishing rod is also available. **A state fishing license is NOT required.**

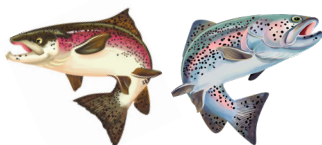

ELIGIBILITY

Fishing is **NOT open to the general public**; only active duty military, military retirees, current DoD civilians, and sponsored guests are eligible to fish the Air Force Academy and Farish Recreation Area lakes. Camping and lodging guests at Farish Recreation Area that do not meet one of these user categories can only purchase one-day fishing permits. Additional fishing information and regulations is available in USAFAI32-7001.

ANNUAL DAV/PURPLE HEART PERMITS AND HANDICAP ACCESS TO KETTLE LAKES

Annual fishing permits 50% OFF regular price are available for Purple Heart recipients and veterans with a 60% or higher Department of Veterans Affairs (DAV) disability rating. Disabled veterans must bring their military identification card and DAV letter to Natural Resources to receive the 50% OFF annual fishing permit. Call [Natural Resources at \(719\) 333-3308](tel:7193333308) to schedule an appointment.

Fishermen with a state-issued handicap vehicle license plate or placard can apply for a DoD access badge that operates the airfield's west gate; providing easier access to the Kettle Lakes. A **"disabled veteran" license plate does not meet the Airfield's requirements for gate access.** Call Natural Resources at 719-333-3308 to schedule an appointment for completing the paperwork that must be processed by the Pass and Registration Center. **Airfield gate badges are valid for one-year and can only be renewed within 30 days of expiration.**
