CLASS DESCRIPTIONS

Wood Shop Safety:

Every 1st and 3rd Tuesday of the Month

Learn how to use the wood shop equipment at the Arts and Crafts Center.

This class is required in order to use the Wood Shop.

Wood Turning:

Every 2nd and 4th Tuesday of the Month

Learn basic wood turning techniques while turning your own project! This class is great for beginners as well as those looking to improve their lathe and woodworking skills.

Auto Shop Safety:

Every 1st and 3rd Wednesday of the Month

How to properly and safely use the equipment at the Auto Hobby Shop.

This class is required in order to use the Auto Hobby Shop

Tire Change Class:

1st Tuesday of the Month

Learn how to properly and safely use the tire changing machine and balancing machine.

Special Demonstration:

In this class, a guest instructor will demonstrate various skills used to complete the projects.

The skills will be based on the project for the class such as how to use a scroll saw, how to properly do an inlaying, pen turning, and band saw techniques.

This month's special demo is scroll saw.

Kids Craft Class:

Kids learn to build different projects made from precut materials.

Assembly is done with glue and screws.

Lawn Mower Tune-Up Special:

Get your lawn mower tuned up at the Auto Hobby Complex! Includes blade sharpening, spark plug replacement, oil change, tire check, and belt inspection. Customer must provide oil and spark plug.

Call for pricing and to book an appointment.

Class sizes are limited, call to reserve your spot! For more information or to sign up, call the Arts & Crafts Center at (937) 257-7025 / Auto Hobby Shop at (937) 257-3310
